Equipment Request

Member Name: _____
(please print)

Project Title: _____

Date Submitted: _____ Date Equipment Needed: _____

Note: Equipment requests should be received at least 24 hours in advance, but can be made 2 (two weeks) to the day in advance of the date equipment is needed. Members are advised to thoroughly review their equipment needs prior to making a request. Requests for "add-on" equipment at the time of pick-up will be based on equipment availability.
 ***** CAPS cannot guarantee the availability of equipment. *****
